

GAPA's membership year is from January 1 - December 31 of each year. For someone who submits dues after September 1, they will be considered a member for the balance of the current as well as the entire subsequent year. Membership investments in GAPA are not tax deductible as charitable contributions but a portion is deductible as a business expense. Since the GAPA engages in lobbying, under Federal law, 45% of annual dues payments are non-deductible.
